	AL 1770 17 Ontoham 1054	25X1
1	At 1330 on 13 October 1954, noises of engines were heard from an	
	easterly direction in the woods 3 km east of Beetz, northwest of Oranienburg. A three-axle armored personnel carrier and a	
	column of 1 sedan, 1 jeep and 6 trucks and guides with red and white flags were seen in the woods. The column came from the	25 X 1
	north and proceeded eastward. After a short time, it was followed by a column of 60 motor vehicles including 15 tank trucks, 2 field	
	kitchens and trucks occupied by soldiers, billeting equipment and	
	Soviet families. The troops carried full field equipment. At the same time, a column of 35 T-34/85 tanks	2
7	proceeded northeastward. Between 0100 and 0130 on 14 October, another column went northwest cording to the noise of engines.	
$-\sqrt{\gamma}$	Between 1000 and 1000, 4 are a about 3 km east area	
	altitude of 300 to 400 meter three circles, the aircraft left toward the north.	
2.		
	Templin and entered Camp Kannenburg. The vehicles came from the direction of Joachimsthal and carried approximately 300 soldiers	
	wearing red-bordered black epaulets with artillery insignia and carrying full field pack. Twelve trucks towed heavy AA guns,	
	presumably 852mm guns. Two trucks towed 122-mm field howitzers.	2
•		_
3.	After 0830 on 14 October, firing with light and heavy AA guns	
2•	was practiced in the Templin training area. At 0915, two groups	
	of 4 bombers each dropped several bombs over the training area. The exercise was pepeated. Many reports of AA guns were heard	25X1
	after the dropping of the bombs. 1
